

Early Years Foundation Stage Weekly Update

Friday 8th September 2023

Dear Parents/Carers

It has been lovely to welcome the children into our nursery and reception classes. As a team we are thrilled with how well the children have settled into nursery/school life.

Below is a weekly update from all three EYFS classes. Every Friday, a weekly update is added to our class pages as well as to the EYFS Newsletter section on the school website. We hope you enjoy reading and seeing what has been happening each week in your child's class.

As a staff team, we look forward to working with you and your child.

Have a lovely weekend.

Mrs Reeve & the EYFS Team

Class Sunshine

Welcome to Salesbury Nursery, known as Sunshine Class within school. What a fantastic start to the new year we have had. The children have taken all the changes in their stride and have quickly settled and started to learn our class routines. It has been a real joy to see their smiling faces each morning.

This week we have been focusing our attention on learning the names of our new friends, learning where toys belong, being independent and having fun. As many of you are aware, painting has been a very popular activity!

Here are a few reminders:

- Please bring wellies and slippers if you haven't done so already.
- Children should bring a named water bottle every day. We encourage children to drink water, not juice.
- Children who stay all day should bring a piece of fruit or a vegetable to eat in the afternoon. Please put their name on it.
- You are invited to become a member of our Facebook group- [Salesbury CE Sunshine Class 23-24 | Facebook](#) Only parents and carers may join this group. We post regular messages and photos during the week and send out reminders of special events taking place.
- Please label all items of clothing, we already have a new jumper with no name in it.

Please feel free to speak to a member of staff before or after school if you have any questions, or alternatively you can email us on the email addresses below. Mrs O'Mahoney works everyday except Wednesdays, when Miss Healey works in nursery, so please bear this in mind if your email is concerning pick up or absence on Wednesdays.

Have a lovely weekend,

Mrs O'Mahoney and Miss Healey

Class Star & Class Moon

Our Reception children have had a wonderful start to the year!

We are so proud of how well they have all done this week, getting used to their new classrooms, teachers and friends, and beginning to settle into new routines. This week we have been focusing on getting to know our new friends, exploring all the exciting areas in our classrooms and outdoor area, being independent and having lots of fun! We have also been reading the story 'Space Mice' by Lori Haskins Houran and have done lots of space-themed activities such as splatter space paintings and building rocket ships.

Here are a few reminders:

- Thank you for your cooperation in leaving children at the gate in the morning. This really helps them to get into the routine of saying goodbye at the gate and making their own way into the classroom.
- Children should bring a named water bottle to school each day. This should be water, not juice, and we encourage children to drink regularly throughout the day.
- Please bring wellies and slippers if you have not done so already.
- You are invited to become a member of our Facebook group. Only parents and carers may join this group. We post regular messages and photos during the week and send out reminders of special events taking place.

Please feel free to speak to a member of the team before or after school if you have any questions or you can email us at the email addresses below. We do ask that you do include both of us in your emails, so that we are all in the picture and someone can get back to you as soon as possible.

Well done Reception and have a fantastic weekend,

Miss Cummins and Miss Pomfret
