Class Sunshine

We have had another busy week in Sunshine Class. Having used drama to retell the story "We're going on a Bear Hunt" the children created collage pictures of the journey, practising their cutting and gluing techniques.

On Tuesday we looked closely at a bear, noting what shape its ears, nose and eyes were. Then we had a go at drawing a bear. In the afternoon we took our learning outside again, exploring patterns and shapes created when it rains!

Our classroom smelt delicious on Thursday morning when we made mini apple pies. The children collected the apples off the tree in the school garden, then peeled and chopped them before putting them in mini pie cases. I hope they tasted as good as they smelt!

In PE we have been practising our underarm throwing technique.

Don't forget it is our Monster Phonics launch day on Monday, children are invited to come dressed as one of the Monster Phonic characters.

Have a lovely weekend

Class Star & Class Moon

Star and Moon have had a busy week!

Following on from last week's harvest collection, this week we have continued to think about harvest. We began the week making patterns using paint and cut up vegetables. We enjoyed exploring the shapes that were left behind on our paper depending on the vegetable used.

Later in the week we went on a leaf hunt to find interesting leaves that we could use to decorate our classroom and print with using paint. We also used our fingers to splodge autumnal coloured leaves onto a picture of a tree.

We used our imagination to work together to build a boat, using an empty box, whilst some friends planned out our treasure maps and others made treasure for us to find! We have also been practising writing our names too!

Don't forget:

- Monster Phonics day is Monday 2nd October. We cannot wait to see all of your costumes!

Well done Reception, have a lovely weekend,

Miss Pomfret and Miss Cummins
