

'Let us love, not in word or speech, but in truth and action' 1 John 3:18

Phase:- Year 5 & 6 Advocates for Action

Social Action:- Re-educate our school families about the importance of safety when arriving and leaving school

Leaders:- Emma Smallshaw, Stephen Bird, Sian Howell-Jones, Kerry Shaw

Rationale:- Action is necessary to avoid accidents and danger at the start and end of the school day. Children will develop a greater awareness of safety and be ambassadors for care in the community. They will also be educated in the need for changing adult behaviours. We hope to develop a safe environment where children are kept free from dangers; change people's attitudes and habits around parking, following rules and walking to school; and allow children to recognise potential hazards in our current state.
