Potential Online Safety Risk for Children

Dear Parents/Carers,

We have recently become aware of some of our children gaining access to and discussing the Netflix show, Squid Game.

Whilst the show itself is rated 15 and is unsuitable for viewing for our children, it appears that there are now online games (eg. Roblox), memes and social media (Tik Tok and You Tube) producing content based on the show.

Some of these apps and online games convey the violence of the show, some of which use original footage. At school, we'll continue to monitor this as usual, and support children where we need to. However, to be more aware of the current advice, please click on the link below to find out more:
