

Reading Patron at Salesbury C.E. Primary

Since November we have been fortunate to work alongside Jo Welch, who has become a reading patron for our school. The children have had the opportunity to access coding workshops which have been inspired from her books, *The Darwin Code* and *The Quantum Code*. Alongside her coding sessions, our school magazine group have taken part in a creative writing workshop and some children have accessed a non-fiction workshop. Jo is a very keen reader and is excited to share her love of books with the children; sharing what she believes are the best books for children to read. We have thoroughly enjoyed her visits so far and look forward to sharing more books, stories and ideas with Jo in the summer term.

I learnt to show my ideas through my descriptions and not tell the reader things directly. George

Jo said have a twist in the middle of your story and was encouraging us to be precise with our verbs. Teya
