

# Monster Phonics

Friday 3<sup>rd</sup> October 2025

Dear Parents/Carers,

We have been learning the following Black Cat sounds:

m d g

High Frequency Words:

and dad am

## Phonics Activity

Practise forming the graphemes we have learnt so far with some messy mark making! We have learnt s, a, t, p, i, n, m, d, g. You could use, chalk, felt tips or playdough to carefully form the graphemes. You might want to get a little messier and have fun finger painting or you could pour some salt or dyed rice onto a tray and use your finger or a paintbrush to make marks! Some ideas are on the back of this page. Can you teach your grown ups our actions to help us remember the sounds? Can you think of a word with each sound in?

We appreciate this learning being reinforced at home.

Please return your homework folder to school by Thursday 9<sup>th</sup> October 2025.

Kind regards,

Miss Pomfret and Miss Cummins

## Some Mark Making Ideas...
